The diagram illustrates a class hierarchy. At the top left is the 'QObject' class. At the top right is the 'alazar::ATS9462' class. At the bottom center is the 'QTS9462' class. A horizontal line with upward-pointing arrows at both ends connects the bottom of the 'QObject' and 'alazar::ATS9462' boxes. A vertical line descends from the center of this horizontal line to the top of the 'QTS9462' box, indicating that 'QTS9462' inherits from both 'QObject' and 'alazar::ATS9462'.
